NEW BEGINNINGS

PREPARING FOR 2001 AND BEYOND

1981 TIGER

PUBLISHED BY THE STUDENTS OF

SAVANNAH STATE COLLEGE

VOLUME XXXIII

Foreword

We stand at the threshold of completely new, completely *NEW BEGINNINGS*. At the doorsteps of a new decade, we courageously, yet cautiously, continue our ascension towards the 21st Century. As we face innumerable obstacles and deterrents, we stop briefly to map our future paths, to unify our rank and file, and to share now departed moments of our past experiences.

At Savannah State College, we are making a bold and defiant thrust into the eighties and beyond. We've begun to look into every aspect of our being to ensure academic excellence and administrative efficiency. New programs are now being offered to reflect the changing and competitive demands of the highly advanced and technological work force. Instruction in the classes is geared to prepare our scholars for the *real world*. New equipment and facilities are constantly being added to keep in pace with the state of the art. In short, we've come a long distance, have to go even further, and truly speaking there's no giving up in sight.

As the threat of Narcissism and egoism creeps up among us, we huddle closely to strengthen our position with lessons taught by past experiences that now secure our present. We focus our energies on constructive directions while utilizing our various skills, inspirations, and knowledge for the good of all. As we set the pace and become the example, we build bridges into our communities that expand into avenues of much needed communication and alliances. We huddle closely to share our gifts and as we do we share our fondest memories.

The year 1980-81 is our present reality. Tomorrow it will belong to yesterday. Today as we look back and recapture the fleeting moments of our being together, the Staff of Student Publications sincerely hope that we have preserved some of your best memories. COME. Let us review the year 1980-81 as we embarked on our *NEW BEGINNINGS*.

What We Are

Going To Be, Got To Be, Got-Got To Be

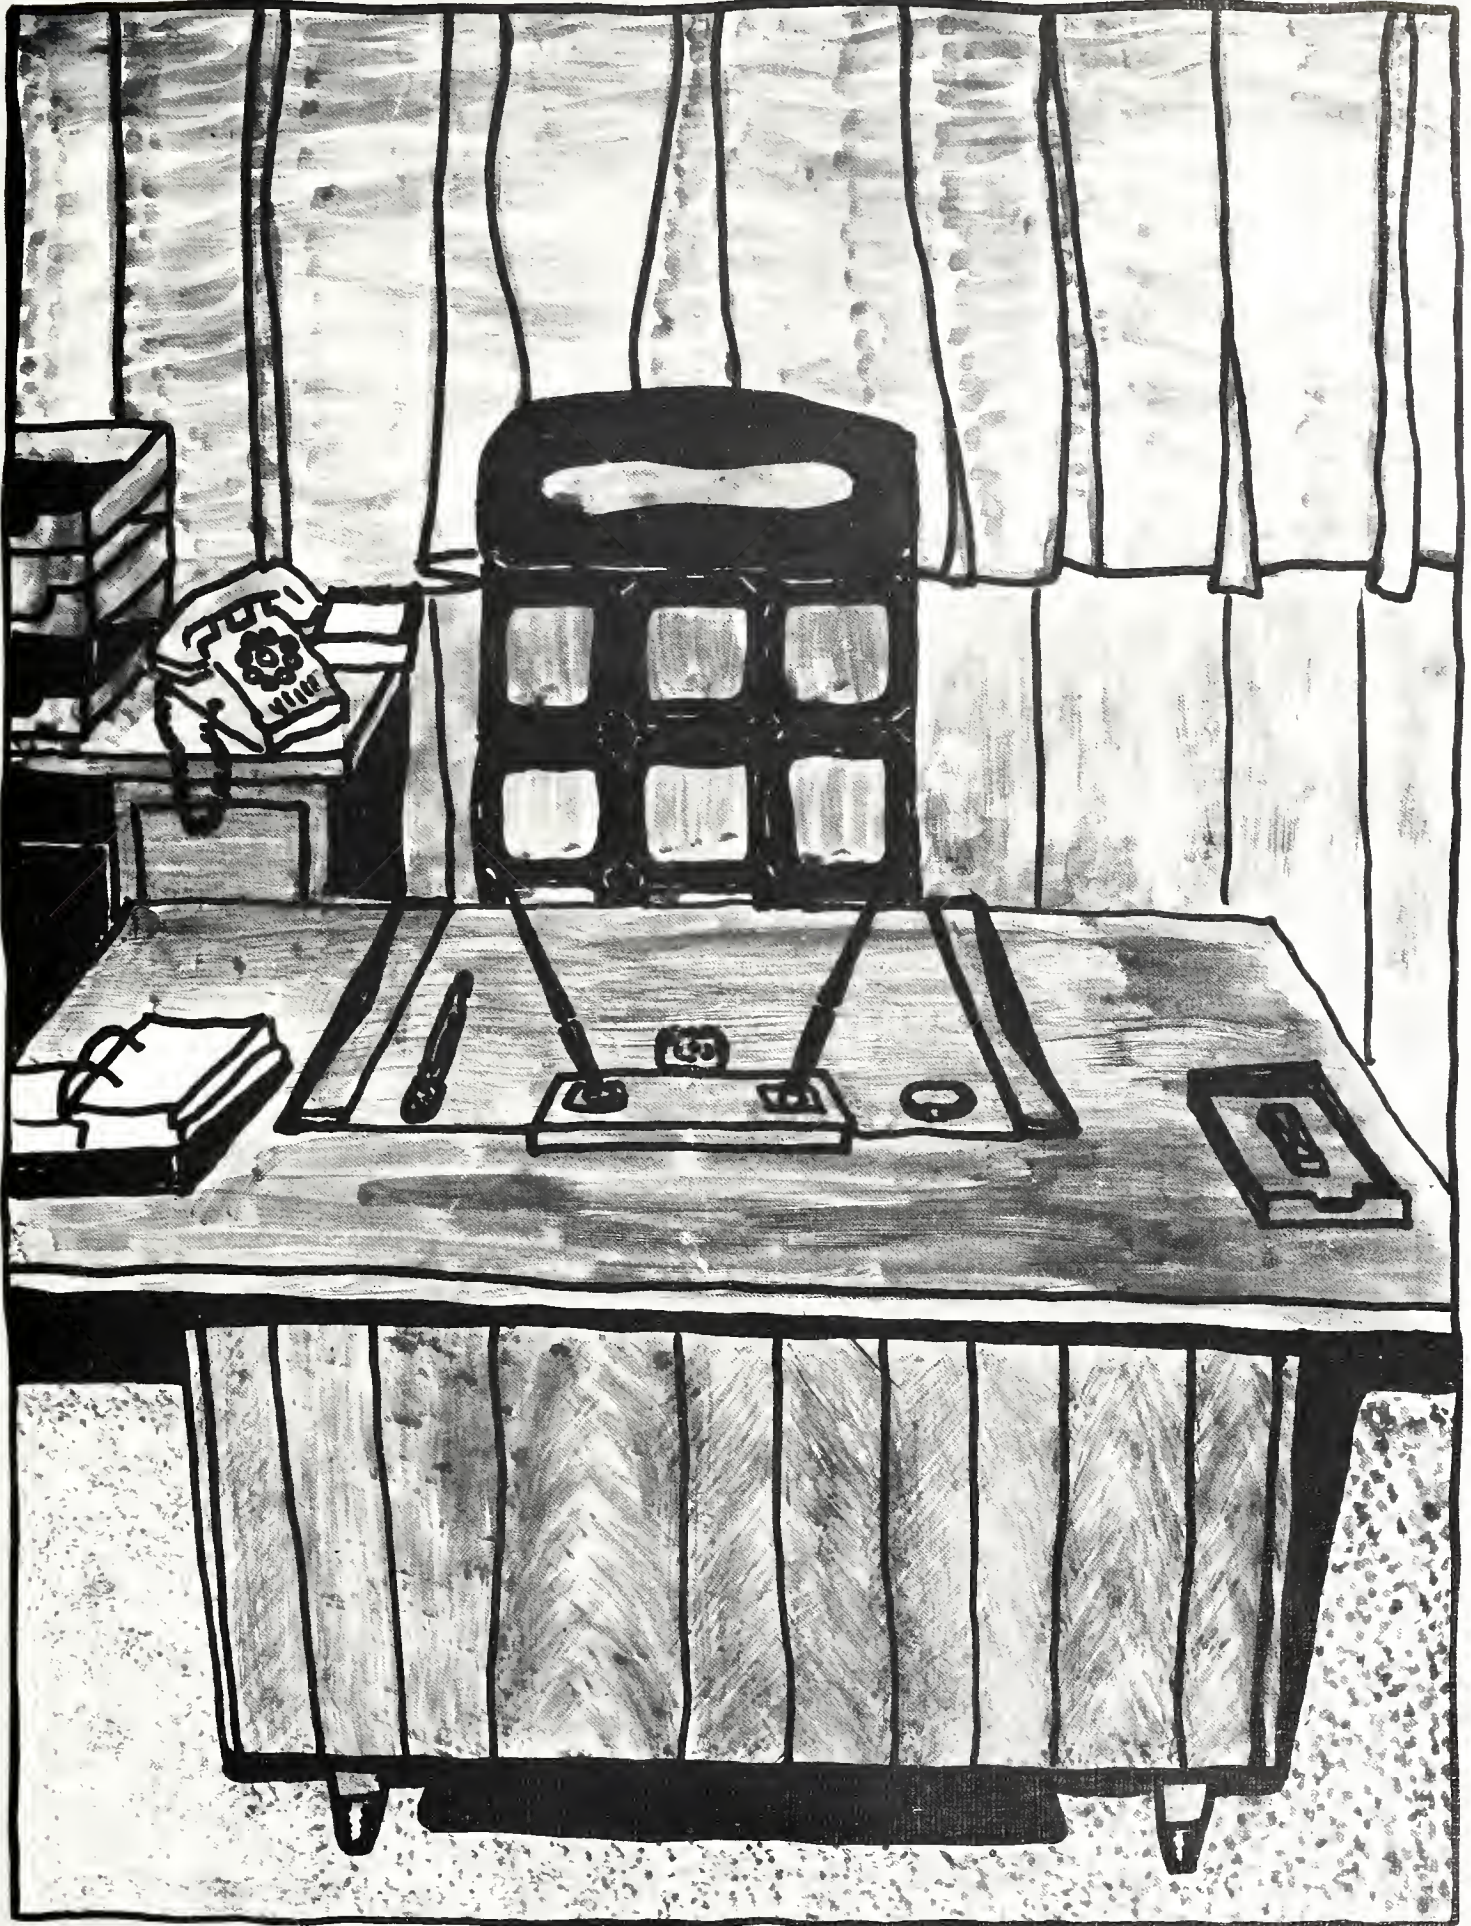

*Hail
Ssc!*

THE PRESIDENT

DR. WENDELL G. RAYBURN

President's Message

Members of the Savannah State College Family:

Savannah State College has been a tradition for 90 Years. The academic year 1980-81 ushers in new beginnings for Savannah State College's students, staff, administration, and faculty. Savannah State College must now begin to interpret its academic and service programs in terms of its relations to the urban community of Savannah.

Ways must be found to bring together a greater awareness between SSC and the Coastal Empire area in order to effect a more meaningful educational experience for all students.

In this, my first year as president of SSC, I hope to lead our beloved Savannah State College to its full potential. Together we will move efficiently and with positive impact into the decade ahead. Come join with me and make "new beginnings" a positive reality for SSC and its urban constituency.

Thank You.

New Leadership

The faculty and administration, along with the student body and the entire Savannah community, extends a hearty welcome to our new President and his Family. It is our hope that your years will be long and progressive at Savannah State College!

The President with his family

There is no substitute for a
quality education

SSC Receives Funds

From left to right: Dr. S. Persad, Mr. W.C. Scott, Dr. W.G. Rayburn, Mr. B. Lewis

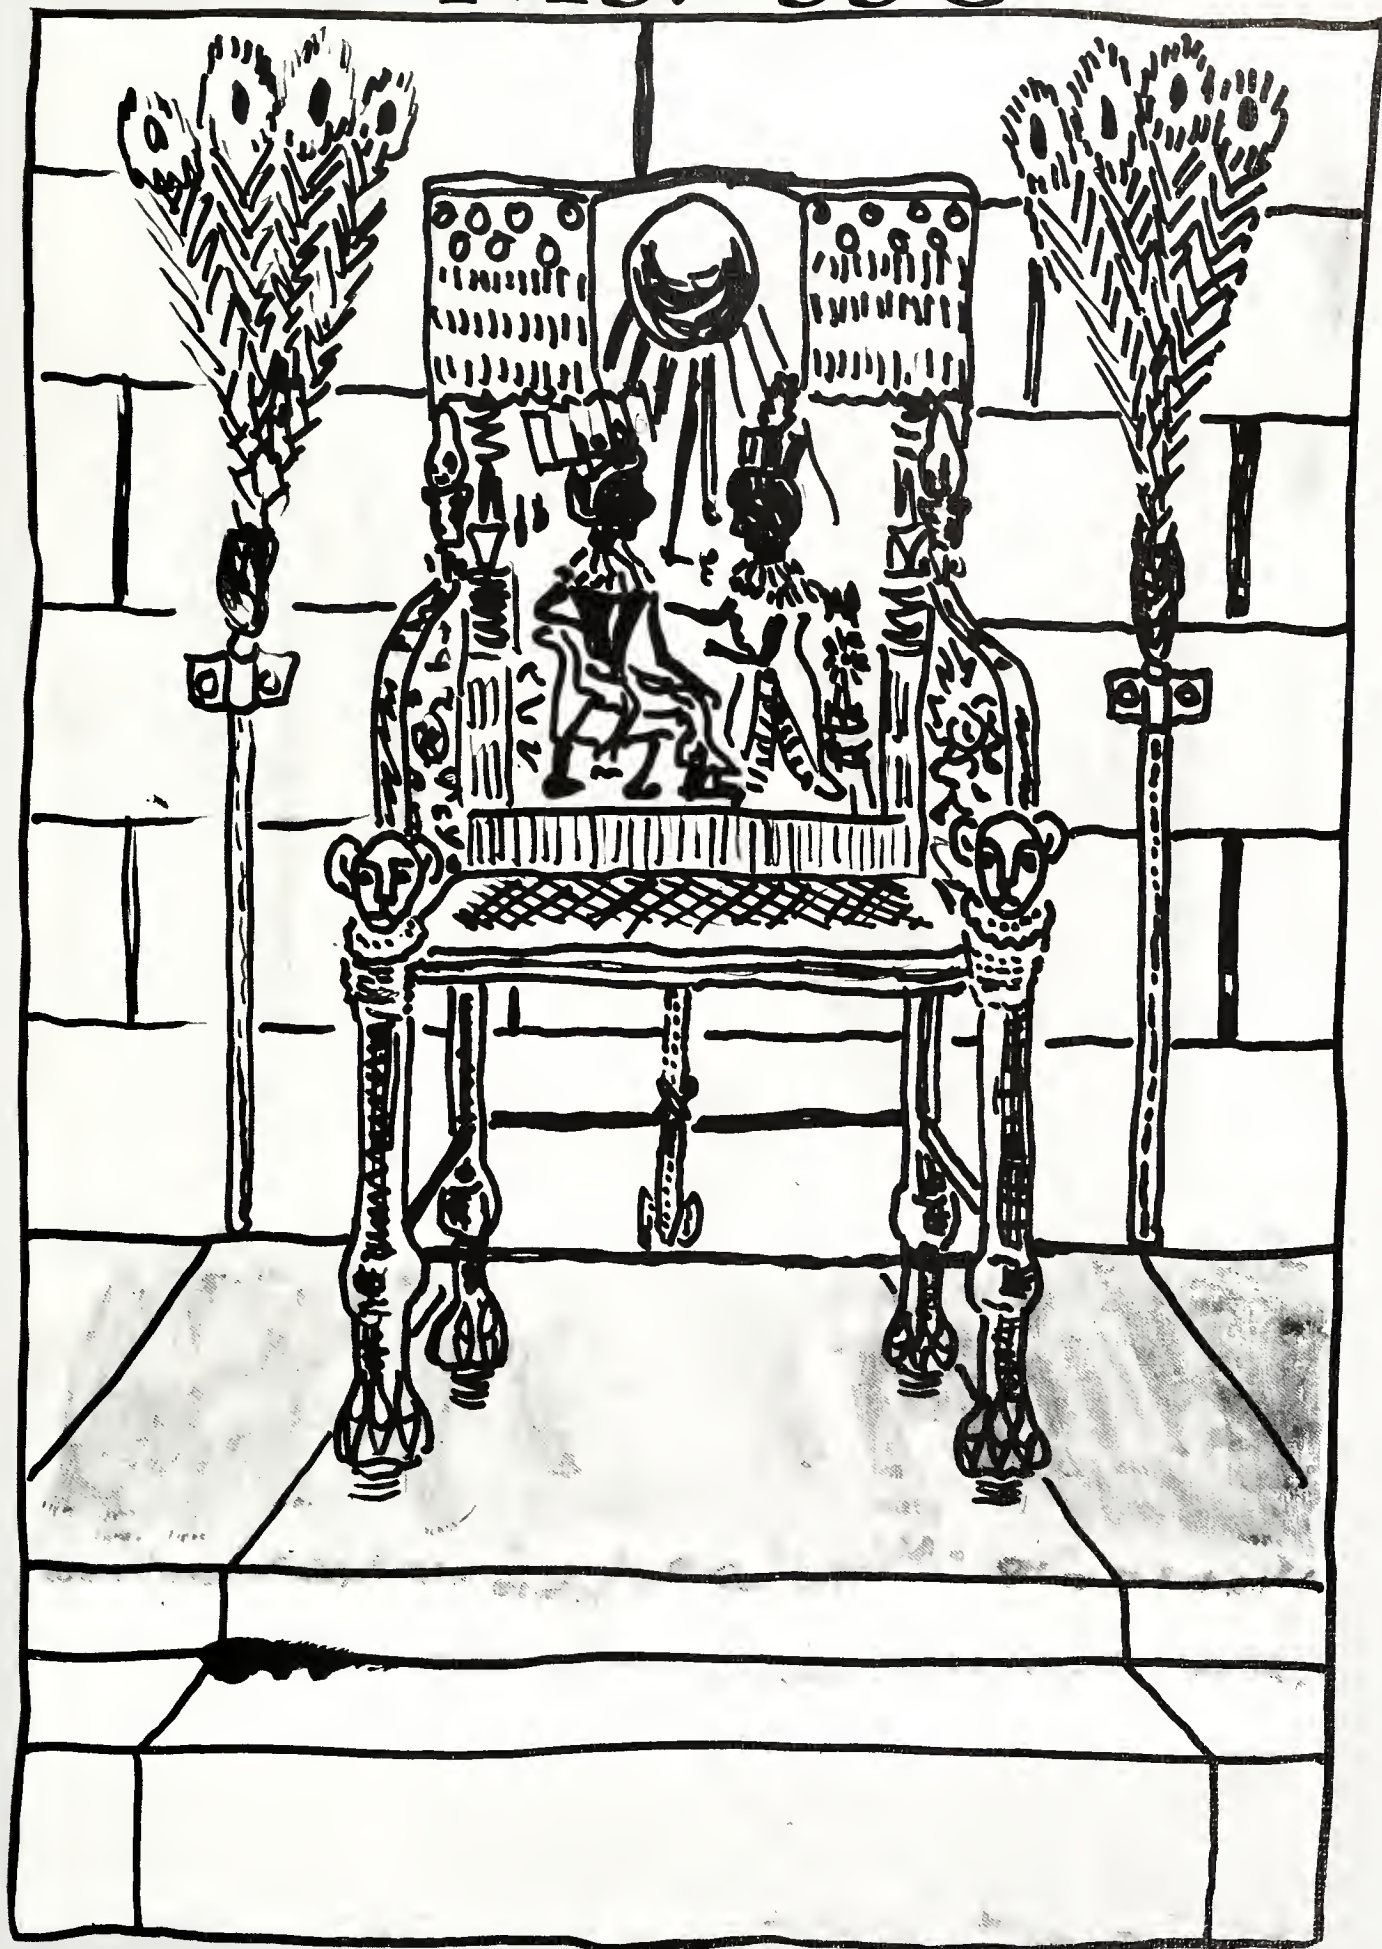

To start the academic year on its proper footing, Savannah State College became the proud recipient of two new funds. One of the awards is a scholarship, which was donated by Dr. Suresh Persad, M.D., P.C., and the other is an insurance policy, of which SSC is the beneficiary, given by Mr. Wilton C. Scott.

The scholarship is named for its benefactor (Persad Scholarship Fund) and is for \$1000.00. It will be awarded annually beginning with the 1980-81 school year. Dr. Persad has a practice of obstetrics and gynecology in the Savannah area. He is certified by the American Board of Obstetricians and Gynecologists, has membership in the American Medical Association and is a fellow of the Royal College of Physicians and Surgeons in Canada.

Mr. Wilton C. Scott designated SSC as the beneficiary of a \$5000 life insurance policy. Those who know him are aware of Mr. Scott's long and meritorious track record of honors, awards, degrees, and listings in professional biographies. We are especially proud to note he is the retired Dean of Extended Services and Director of Public Relations at SSC with 30 years of devoted Service.

With men of vision as Dr. S. Persad and Mr. W.C. Scott aiding us, together with the admirable traits that Dr. Rayburn brings with him, and integrating this with the positive and sincere efforts of the faculty, administration, and student body, SSC will be projected into a bright and promising "New Beginning!!"

MS. SSC

MS Savannah State College

By popular consensus of the student body, Ms Patricia Y. Houston has been chosen to represent our school as we usher in the new decade. "Patty" is a native of Savannah and portrays a fine example for the immediate college community. Her activities are numerous. Some of them include: the Navelrette Social organization; Phi Beta Lambda; and the Business Organization. She is majoring in office administration and spends free moments reading, sight seeing, and cheering.

The Court

Our freshman attendant, Stephanie J. Ervin, comes to us from the historical port city of Savannah also. She enjoys dancing and relaxes with a slow walk. Now here's a switch: Stephanie loves football and volleyball. Her major is Biology.

For the sophomore attendant, we had to travel all the way to Ailey, Ga. to find Debra Brantley. By majoring in social work, Ms. Brantley plans to invest her skills in the community she will live in. Debra enjoys basketball, which accounts for her well "centered" and positively forward personality.

Maria Andrews reflects all that is positive and progressive in the junior class. Ready for action, she plays tennis and enjoys other sports. One for the aesthetic qualities of life, Maria finds pleasure in reading and music. Evidently, Atlanta sent us one of its finest citizens.

Miss SSC

Atlanta never stops producing people of admirable qualities. Karen Anderson is from there and she brings to the seniors a bundle of constructive energy. For instance: the Student Alumni Association; Vogue 13; and GO Unlimited are a few of the activities she has busied herself in during the past years. Ms. Anderson loves modeling and fills her summers with swimming and cycling. She plans to further her knowledge of business in graduate school.

Who's Who Among Students In

Dianette G. Bryan is a junior from Savannah majoring in English. She is Vice-president of the Music Educators National Conference, Savannah Chapter.

Lazelda D. Hudson majors in Business Administration. She is a Senior from Wadley, Ga. and is a member of Phi Beta Lambda.

Herbert Emerson is a senior majoring in Electronic Engineering Technology. Herbert is from Savannah and is the president of the Institute of Electrical And Electronic Engineers and holds membership in the Newtonian Society.

Marcia Johnson is a participant in the Minority Access for Research Careers Program and a member of the Newtonian Society and Alpha Kappa Mu National Honor Society. Marcia is a Senior from Jefferson, Ga.

American Universities and Colleges

Gregory Lockhart of Savannah is a senior and majors in math. He is a member of the Newtonian Society, a tutor in the Math Dept. and an instructor of history in the SSC Upward Bound Program.

Daisy P. Mathis is a senior majoring in math. She is a member of the Newtonian Society and a tutor in the Math Department. Daisy is from Savannah.

Noel Merritt of Savannah, a senior majoring in Electronic Engineering Technology, is the Lieutenant Commander of the NROTC and a member of Alpha Phi Alpha Fraternity.

James McCoy, a senior and a Industrial Art major is a native of Blakely, Ga. He is a member of the Industrial Art Club.

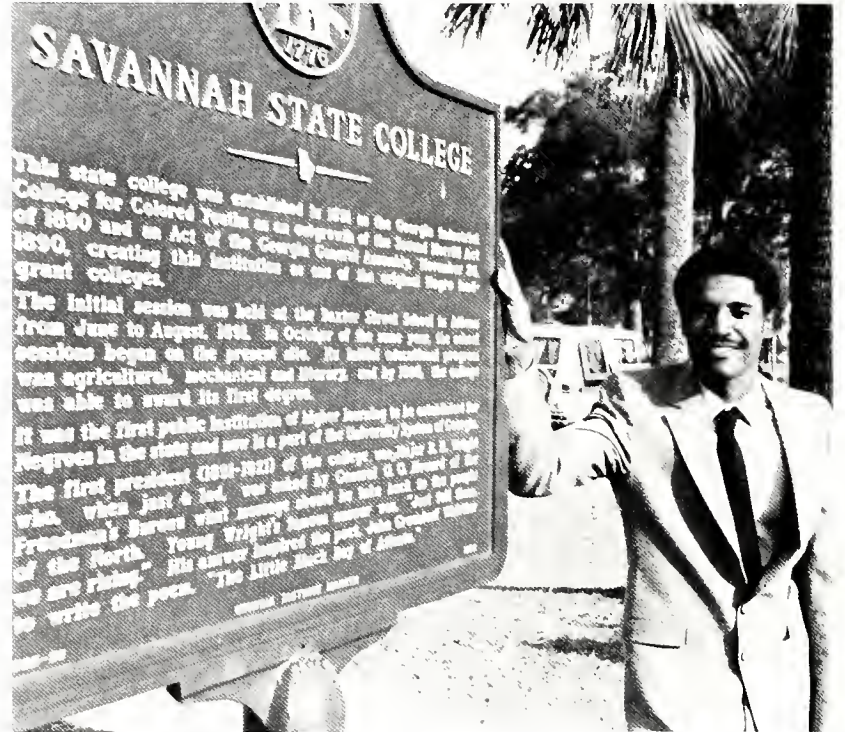

Arnette Palmer of St. Simons Island is a senior Business Administration major. She holds membership in Phi Beta Lambda.

Ronald "Omowale" Pullin says he's from "Africa, by way of Savannah." Omowale is a senior majoring Electronic Engineering Technology, an organizer for the All African People's Revolutionary Party and the tutoring coordinator for the Institute of Electrical and Electronic Engineers.

Dallas Pickett is from Boston, a senior and majors in Mechanical Engineering Technology. Dallas co-ops with the Federal Aviation Administration and is president of the SSC American Society of Mechanical Engineers.

Charles "Tshuki" Simmons is from Ridgeland S.C. and is a senior majoring in Electronic Engineering Technology. He is president of the Alpha Kappa Mu National Honor Society and a member of the Institute of Electrical and Electronic Engineers. Tshuki's biography has been listed in the American Biographical Society and The National Dean's List.

Ralph Taylor of Hinesville, Ga is majoring in Criminal Justice and is a senior. Ralph is the Chief Justice for the SGA and is a member of the Alpha Phi Omega Service Fraternity.

Kenneth Thompson is president of the SSC chapter of the American Society of Civil Engineers. A senior majoring in Civil Engineering Technology, Kenneth is from Atlanta.

Wilson B. Thomas of Grove town, Ga., a senior majoring in Electronic Engineering Technology, is President of the SGA. Wilson holds membership in the Players By the Sea, Alpha Phi Alpha Fraternity and is a peer counselor.

Stanley Verdree majors in Accounting, and is a senior from Savannah. Stanley is vice president of the National Association of Black Accountants, Sav'h Chapter, and is a member of Alpha Phi Alpha Fraternity.

Poll 1: How Do We Prepare for the 21st Century?

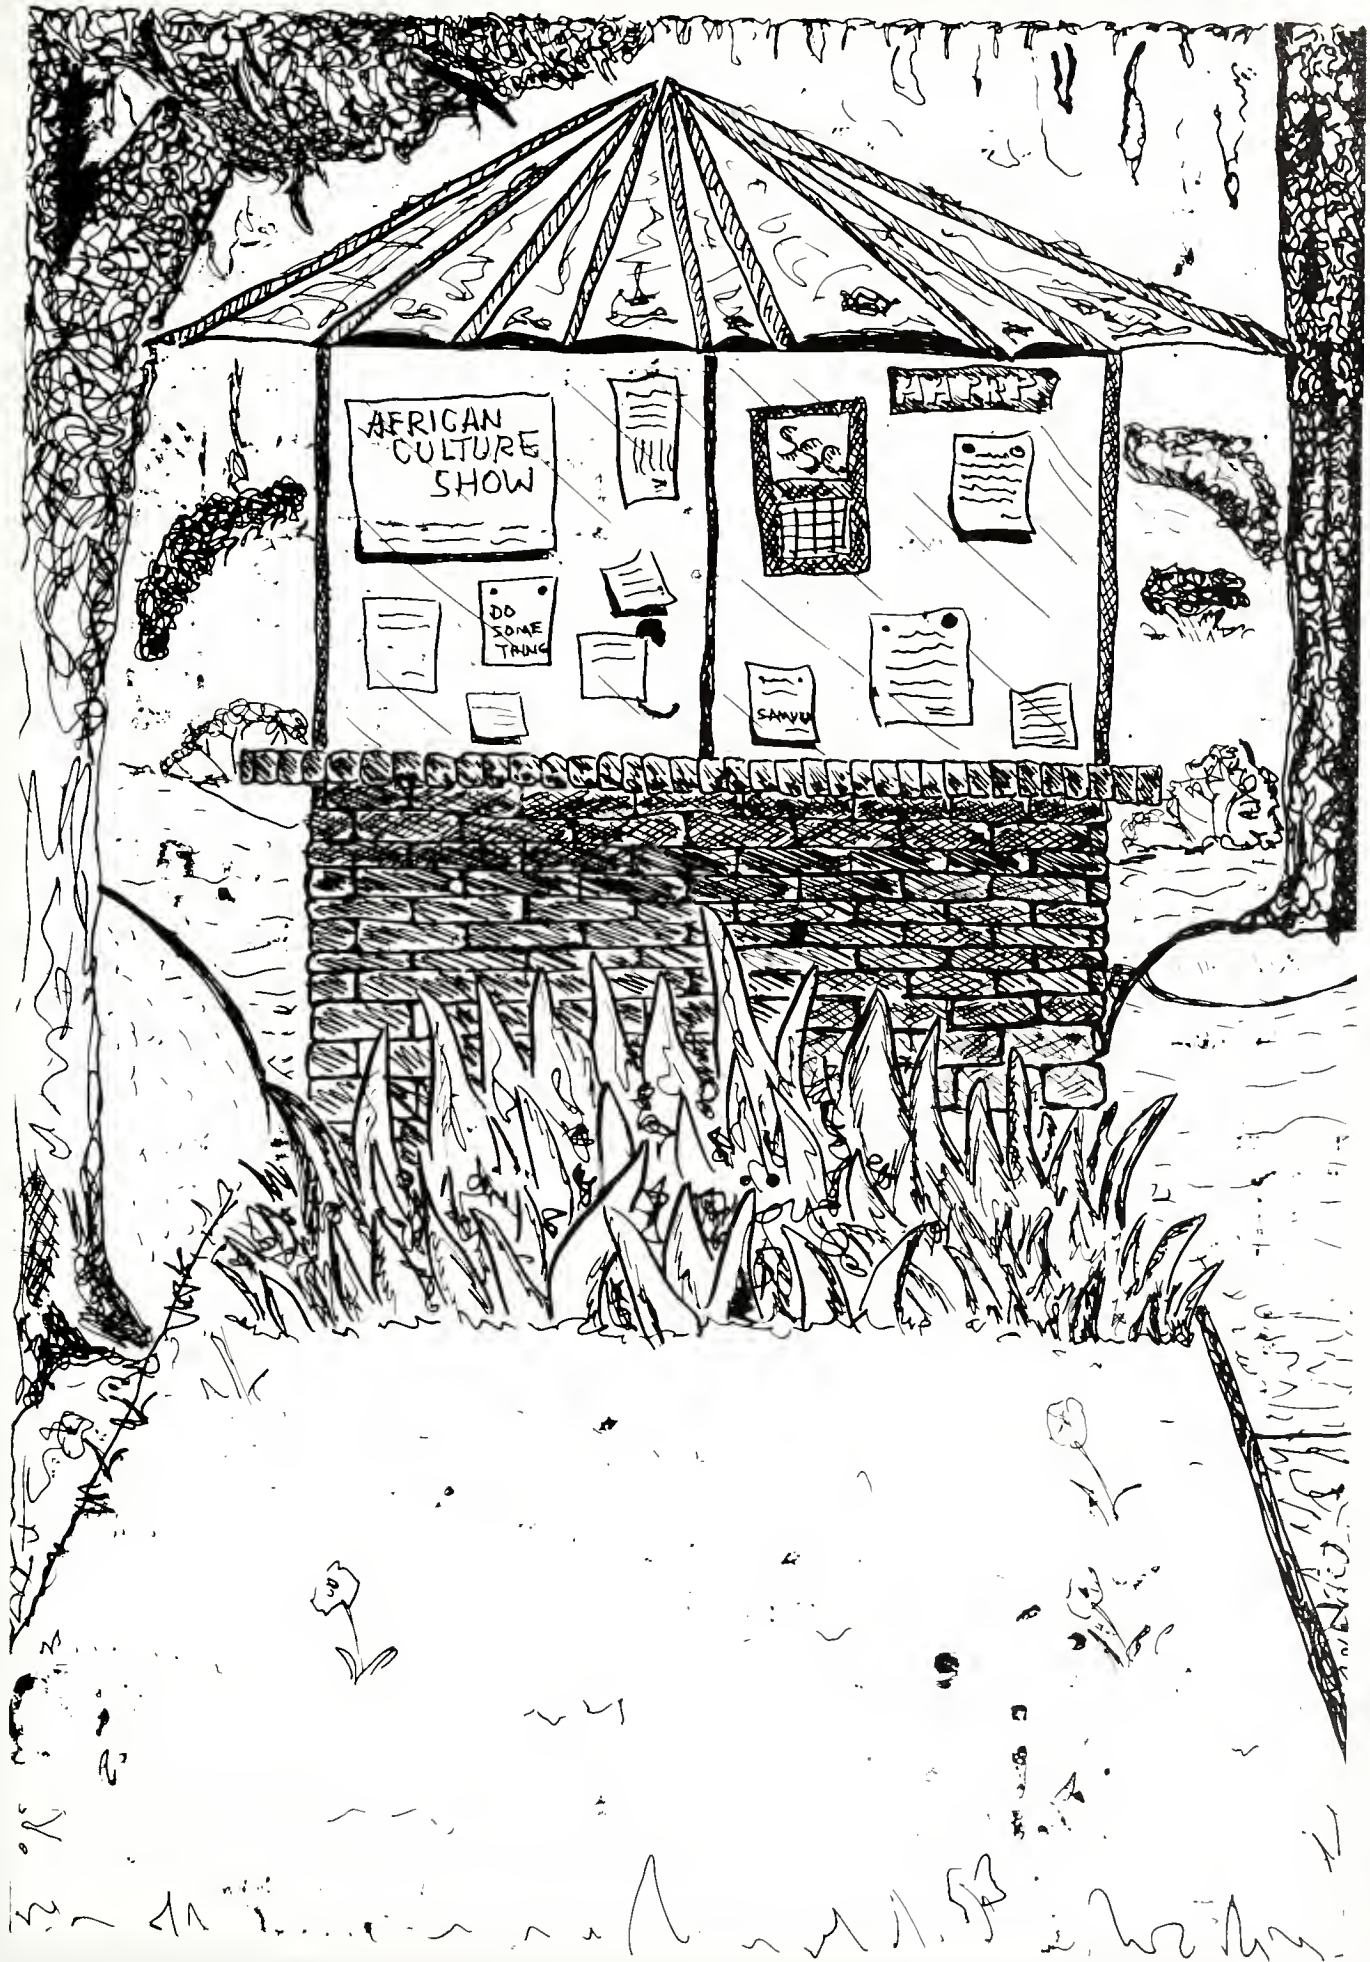

*Black Woman! Let's
usher in a New World . . .
. . . Together!*

Preparing for the 21st Century from a Black prospective means education and more education. The 21st century as I envision it will be as George Orwell's vision in *1984*, a society ruled by machines and numbers, affecting every phase of one's life. Thus this is my basis for thinking that education is the proper preparatory stance for blacks in the 21st century. If the trend in the 21st century is toward machines and numbers, and not general labor as it is known today, I think blacks have to get educated and now, in any and every field of study dealing with numbers, electronics or machine technology. For this is the only way blacks will exist in a 1984 society. (having the skills and training to run the society).—*James L. Brown*

While listening to the wedding game on T.V., the import of this question struck me. Personal morals seem to be receiving the death knell. We as blacks are being forced to make a decision as to the position we hold in America. Are we to remain the passive slave, subjected to the whims of the master, or are we to become real Americans and take our place in this democratic society as other Americans before us. Notwithstanding the Indian, every ethnic group in this country gained the positions they now hold through a diligent, unrelenting, unified effort. We must rally to support those ideals and individuals that espoused the will of the majority and are striving to reshape the will of the minority. We, as blacks, are being herded towards a final showdown. We will either have to become American citizens or go to the homes of our ancestors. Garvey failed and no one else has had the nerve to try since. Who leads us?—*Leslie M. McKinney*

SGA PRESIDENT's MESSAGE

When each of you look back on this year's SGA and assess our accomplishments and failures. I hope each of you will look at yourself and assess your accomplishments and failures for this past year. I ask you to do this because each of you individually are a part of the SGA and collectively you *are* the SGA. I say "a part" not "apart". The SGA will have only been successful in part through your realization that the SGA is not one, two or three students; but *all* students with common concerns for each other, education and Savannah State College. We have fostered this ideal of unity, I pray all of you who read this will continue to strive towards this goal.

Additionally, I would like to say a few words on leadership. Do not be fooled into thinking each of you can not be leaders! Each of you are leaders, now! Leaders of yourselves! Whether you are successful or not is the question. Ask yourself this question—Am I leading my life successfully? Be truthful. I challenge all of you, as I challenge myself, to be great leaders of yourselves.

If any of you have ambitions to one day hold the job that I have held this past year I wish you luck. Chances are the job will be different than it is now, but the main point is to keep faith in yourself and God.

I thank all of you for participating, suggesting, criticizing, helping and being the SGA. I thank God for giving me the opportunity to serve you.

As I close I would like to leave you with this, from I Corinthians 13:13—"But now abide faith, hope, love, these three; but the greatest of these is love." Love each other. All—One—Love.

Southern Regional Press Institute 1980

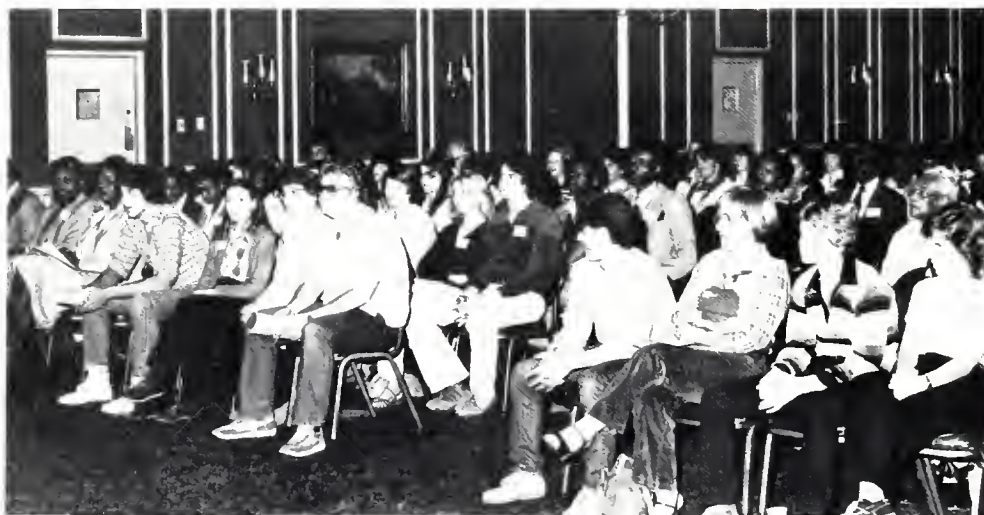

The twenty-ninth annual Southern Regional Press Institute (SRPI) was hosted by Savannah State College at the Ramada Inn Thursday and Friday, February 28-29, 1980. The SRPI is held annually to inform high school and college students of careers in the working environment of professional journalism. Advisors and editors are also kept abreast of new developments and techniques in communication.

Right: Mr. John H. Sengstacke delivered the Awards Luncheon Address. Mr. Sengstacke is the president of the Robert S. Abbot publishing Co. and started the Chicago Daily Defender in 1940.

Dr. Charles J. Elmore returned to SSC in 1979 after a three year absence to obtain a doctorate in higher education at the University of Michigan at Ann Arbor. Dr. Elmore directed the 29th SRPI and Ms. Barbara McFall and Mrs. P. Hartwell assisted.

Below: Approximately 250 participants came from all over the southern region: from the various high schools, colleges, universities, businesses, and corporations.

SSC Commemorates Dr. King's Birthday

Dr. Otis Johnson, Head, Dept. of Social and Behavioral Sciences reminded the audience of the commitment we share in making the ideals and programs of Dr. Martin L. King a reality for each of us in our lifetime.

Right: Mrs. Martha W. Wilson, Acting-Vice-President for Academic Affairs, solemnly addresses the students. Left: Mrs. Doris Sane, a student at SSC, delivered the inspiring poem by Margaret Walker: "For My People".

Below: The assembly was packed to the rafters as the students of SSC remembered the works of Dr. King.

The International Studies Department toured the nation's capital during January. The prime objective of the trip was to expose students to the jobs and cultural possibilities of overseas careers in the Peace Corps, AID, USIA, State Department, international commerce, agriculture, and petroleum.

AFRICAN-AMERICAN

The Harlem Experience

The Harlem Experience is a group of professional musicians; The Pazant Bros. Orchestra and dancers, The G.T.P. Dancers, and master of ceremony and comedian, Seborn Westbrook. The Pazant Bros. are Edward and Alvin. They played for Lionel Hampton for 11 years, and have backed the Chi-Lites, The Impressions, and most recently Melba Moore.

HISTORY MONTH

Seaborn Westbrook (right), a musician and stand up comic has 16 years of experience in entertainment. As a musician he has played with Eddie Floyd, Carla Thomas, O.V. Wright, Chuck Berry and others. His comic routine has captivated audiences at the Improvisation Club, N.Y., Three Muses Theater, and the Cotton Club.

The G.T.P. dancers have toured the U.S. with James Brown, "FATS" Domino and Otis Redding. Their appearances also include Radio city Music Hall, the Merv Griffin Show, the State Dept Tour of Africa, 1978 Grammy Awards and the Mike Douglas Show. They have appeared in "Cotton Comes to Harlem" and "Come Back Charleston Blue".

Gloria Thompson

Guy Davis

The theme for this year's AFRI-CAN AMERICAN History Month is "Still Flowing as the Nile". So it was most appropriate and proper to have the soothing and harmonious melodies of Guy Davis at SSC. Guy is an actor, songwriter, musician and poet who is a native New Yorker.

His instruments include the 6 and 12 string guitar, harmonica, kalimba, congas, recorder, 5-string banjo, musical saw and the Jew's harp. Davis has played with Taj Mahal, Odetta, John Denver, Don Mclean, Malvina Reynolds and Pete Seeger. His first solo album is "Dreams About Life".

Currently, he's composing and performing his material in several New York night clubs when he's not playing at community agencies, schools, libraries, trade unions, ecology clubs, and artistic programs.

SSC WHIPS MOREHOUSE 27-0

On September 27, 1980, the SSC Tigers defeated the Maroon Tigers of Morehouse College. In the first quarter, with 42 seconds left, Ken Dawson dove 3 yards to put SSC on the scoreboard. In the second quarter, Ken Dawson crossed the goal line to make the score 27-0. Afterward the two point conversion attempt failed and all scoring ceased. The Tigers came out on top—final score 27-0.

TIGERS STOMP FISK 77-0

On October 4, 1980, SSC Tigers scored 77 points on a variety of plays. The offense scored 7 times; defense 4 times, and the specialty team returned a punt for a touch-down. The Tigers walked off with a 77-0 win over the Fisk University Bulldogs.

TIGERS SMASH CENTRAL FLA. 44-0

On October 11, 1980, the SSC Tigers demolished Central Florida 44-0. Charles Ransom combined with wide receiver Reggie Tindall, accounted for three outstanding Tiger touchdowns. The Tiger's momentum carried them to victory over Central Florida; the final score ended 44-0.

SSC TAMES LANE 35-10

On November 18, 1980, the SSC Tigers riddled Lane College 35-10. The Tiger's offense stunned Lane, as they completed 12 of 25 passes and rolled for 202 yards. The Mighty Tigers scored a total of 5 touchdowns, each with successful conversions afterwards. The Tigers roared on for their fourth consecutive victory, as they defeated Lane College 35-10.

HOMECOMING 80-81

Ken Dawson honors Miss. SSC 80-81 (Miss Patricia Houston)

On November 8, 1980, the SSC Tigers played the Fort Valley Wildcats for Homecoming '80. It was indeed a very close game. At halftime the scoreboard showed a 13-13 tie. After the half, the inspiration of the fans declined. The Wildcats, taking good advantage, pulled away in making the score 16-13. The Tigers were unable to regain their momentum and the score remained the same. But in spite of defeat, the Homecoming festivities were at their utmost peak throughout the entire week. The Homecoming Parade was, as always, superb!

DEM MIGHTY TIGERS

SSC AWAY AT VICTORY;

On November 22, 1980, the ROARING TIGERS traveled out of town to play their last game of the season against Knoxville. The game was very much under the Tigers control at the half; the score was 21-2. The Tigers played well, ending the game 28-2, and wrapping up their 1980 football season with an overall record of 5-5-0.

New Beginning

And We Shall Return

1980-81 Tiger Basketball Outlook

Devastated by graduation during the off-season, Coach Ellington still has reason to be optimistic about the 1980-81 edition of the Savannah State College Tiger Basketball squad.

"We are very optimistic about this season, we look good in practice and we have capable replacements for our departed players. The talent is there. We just have to replace our departed players. We just have to maintain our winning attitude and play fundamentally sound basketball. No team can lose players the quality of All-American Harold Hubbard and high scoring Levi Williams and not miss them. However, depending on how quickly the young players come around, the 1981 basketball Tigers could be the surprise of the SIAC," stated Coach Ellington.

The 1980-81 Tigers will rely heavily on the talents and experiences of forwards Ron Glover and Teddy Riley. Glover, the only starter from last years squad and Riley, who saw a lot of action last year, will be expected to lead starting five that features 6'8" freshman center Milton Sexton and Michael Stock or 6'1" freshman Gerald Davis at the "Big" guard position and 6'1" junior Kenneth Glover or 6'1" senior Charles Ransom at the point guard position.

As usual, balance on the Tiger squad will determine the outcome of this year's season. There will be eight freshmen on the squad this year and eight returning players. The returnees should provide enough leadership to hold the freshmen together and provide enough impetus for a winning season.

Returning are 6'1" senior guard Charles Ransom; 6'1" junior guard Derek Brown; 6' sophomore guard-forward Dobson Washington 6'1" junior guard Kenneth Glover; 6'6½" senior forward Ron Glover; 6'3½" sophomore forward Charles Mackie; 6'5" sophomore forward Ainsley Airs; and 6' guard Russell Ellington (Coach Ellington's son), 6'1" guard Gerald Davis, 6'5" forward Gregory Burrell; 6'8" center Sexton; 6'3" forward Gregory Brooks.

With a perfectly balanced squad, eight returnees and eight freshmen, all with the desire to uphold the winning tradition of an outstanding coach, Ellington has good reason to be optimistic about the upcoming basketball season at Savannah State College.

Russell Ellington

Savannah State College Head Basketball Coach

Coach Ellington comes to SSC with a 15 year track record as head coach at Beach High School. There he led the school to five state championships, 487 career wins, and only 42 losses.

At SSC, Ellington has inspired (or rather "fired") the Tigers to capture the SIAC championship for the past two years. The Tigers record speaks for itself. 21-9 in 1979 and a 26-3 in 1980. Savannah State finished second in the NCAA Division III, South Regional Championship in 1979 and First in 1980. Currently, (at press time), we are ranked eighth in the NCAA Poll (Div. III).

Coach Ellington has stated: "I believe in hard work, diligence, intelligence, and discipline. These are the hallmarks of my coaching philosophy".

Sky, Baby . . . Sky!

SSC Prevails, 80-68 Tigers Gain Finals

Teddy Riley and Milton Sexton combined for 44 points to lead the Savannah State Tigers into the finals of the Southwest Georgia Basketball Classic.

In its season opener, Savannah State defeated Edward Waters, 80-68, behind the scoring and rebounding of Riley and Sexton.

Riley had 22 points and pulled down 13 rebounds, and while Sexton also put in 22 points, he was a little stronger on the boards with 15 rebounds to his credit.

Michael Stock and Ron Glover also hit in double figures for the Tigers with 16 and 12 points, respectively.

The team battled in a close first half, and the game was deadlocked, 34-34 at half time.

However, SSC pulled away to an 8-point margin in the second half, and Edward Waters never threatened again.

Riley had 14 of his points in that second half surge.

EWU's top scorer was Morris Tumor, who hit a game-high 24 points. (12-5-80)

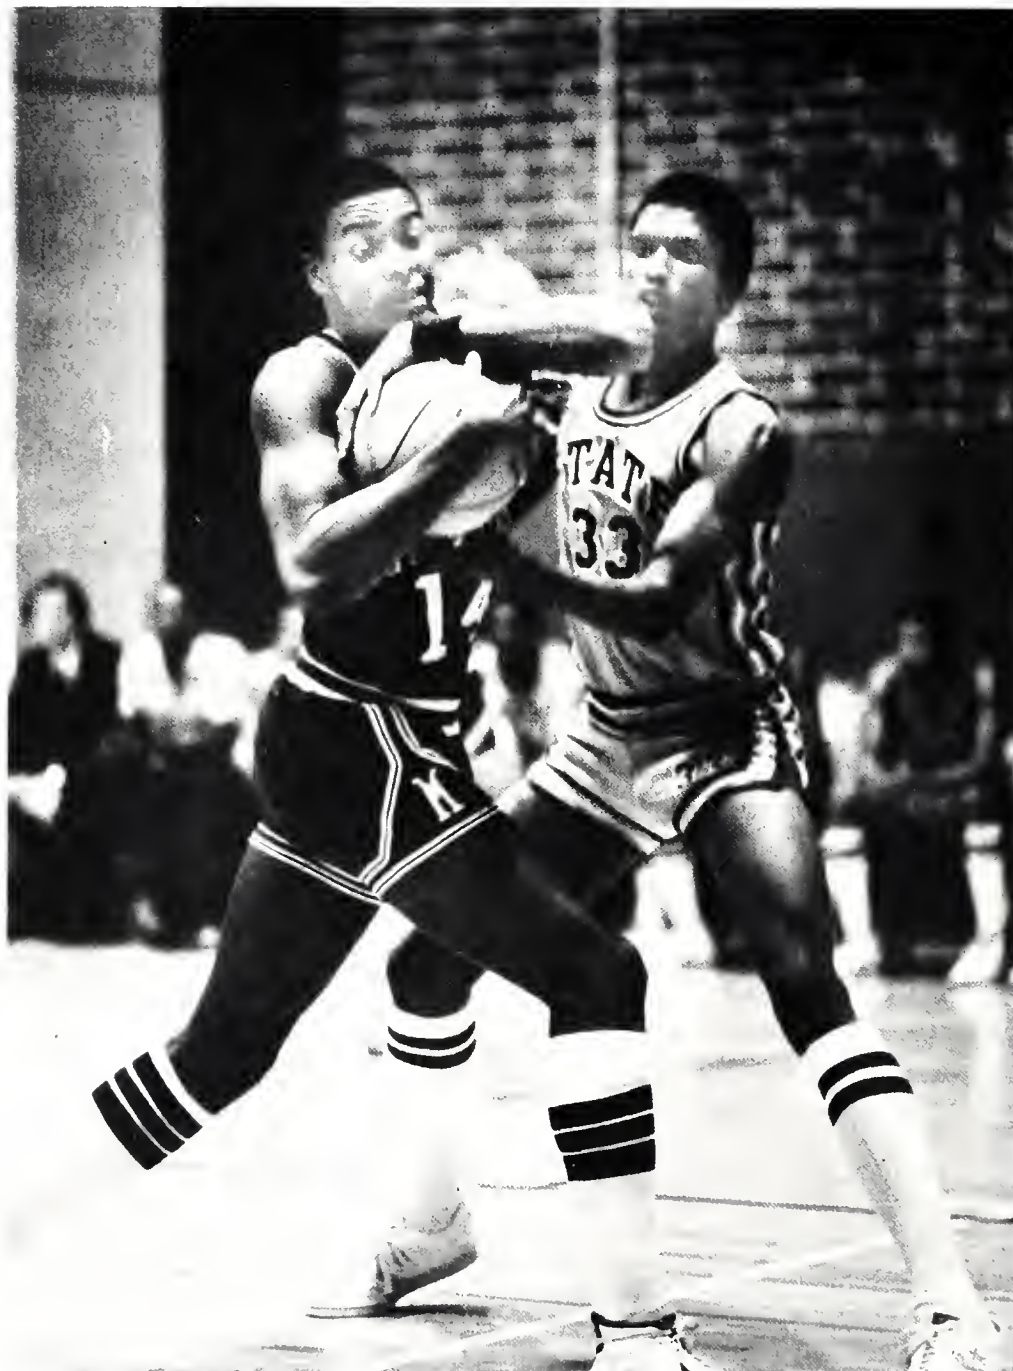

SSC Loses

Savannah State fell 69-66 in the finals of the Southwest Georgia tournament in Albany, Georgia.

Savannah State led 42-29 at half-time but committed 12 turnovers in the second half and Albany's Dennis Whatley came off the bench scored 10 second half points.

Michael Stock led the Tigers in scoring with 18, Glover (Ron) had 15. (12-6-80)

Savannah State Downs Maroon Tigers, 84-80

Ken Glover, a 6-1 junior, starting in the place of injured senior Chuck Ransom, took advantage of the opportunity and scored 20 points as the Savannah State Tigers held on to defeat Morehouse College 84-80 in the Wiley-Wilcox gym. Glover was one of the trio of Tigers to score in double figures. And strangely all the double figure scorers had 20 points or better. Michael Stock like Glover had 20 points and long-distance gunner Teddy Riley took game-high honors with 22.

"He (Glover) did a good job for us," said Tiger Coach Russell Ellington. "He's probably going to have to carry us in our next game (Paine)—I don't know if Chuckie will be ready to go by then with his pulled muscle.

It was Glover's steal and a couple of foul shots that all but put the game away with 3:41 left.

At that juncture of the contest Savannah State, which didn't trail all night, had a 12 point bulge, 82-70, and fans were beginning to file out.

But, Morehouse, a division II member of the SIAC, put on a full-court press and the Tigers turned the ball over three times to allow the Maroon Tigers to pull within four at 82-78 with 47 seconds left.

"He's (Glover)—has to still learn to use the clock," said Ellington in his only complaint about the first-time starting point guard. This stretch might have been when the Tigers could have used a more experienced Ransom.

However, the Morehouse rally fell short as the two teams exchanged baskets and Savannah State finally broke the press as the clock ran out.

"They got winded at the end," said Ellington. "This was our third ball game in four days." The Tigers competed in the Southwest Georgia tournament over the weekend.

"I was happy that we lasted through a ball game with a good moving team like this."

The Tigers, 2-1 had opportunities to blow the game wide open both in the first half and in the second half. But each time they seemed to build the lead to six or eight. Morehouse would hit a shot, make a steal, and the ball game was on again.

Savannah State quickly jumped on top by a 16-5 score, mostly off of Riley's long jumpers. The 6-5 junior had eight points in the first six minutes of the game.

But he cooled off and so did the Tigers as Morehouse cut the advantage of four midway through the period.

Savannah State built the lead back to six but a couple of turnovers and two Karl Bell jumpers brought Morehouse to within two 40-38, at half time. Bell had 20 points to lead the Maroon Tigers.

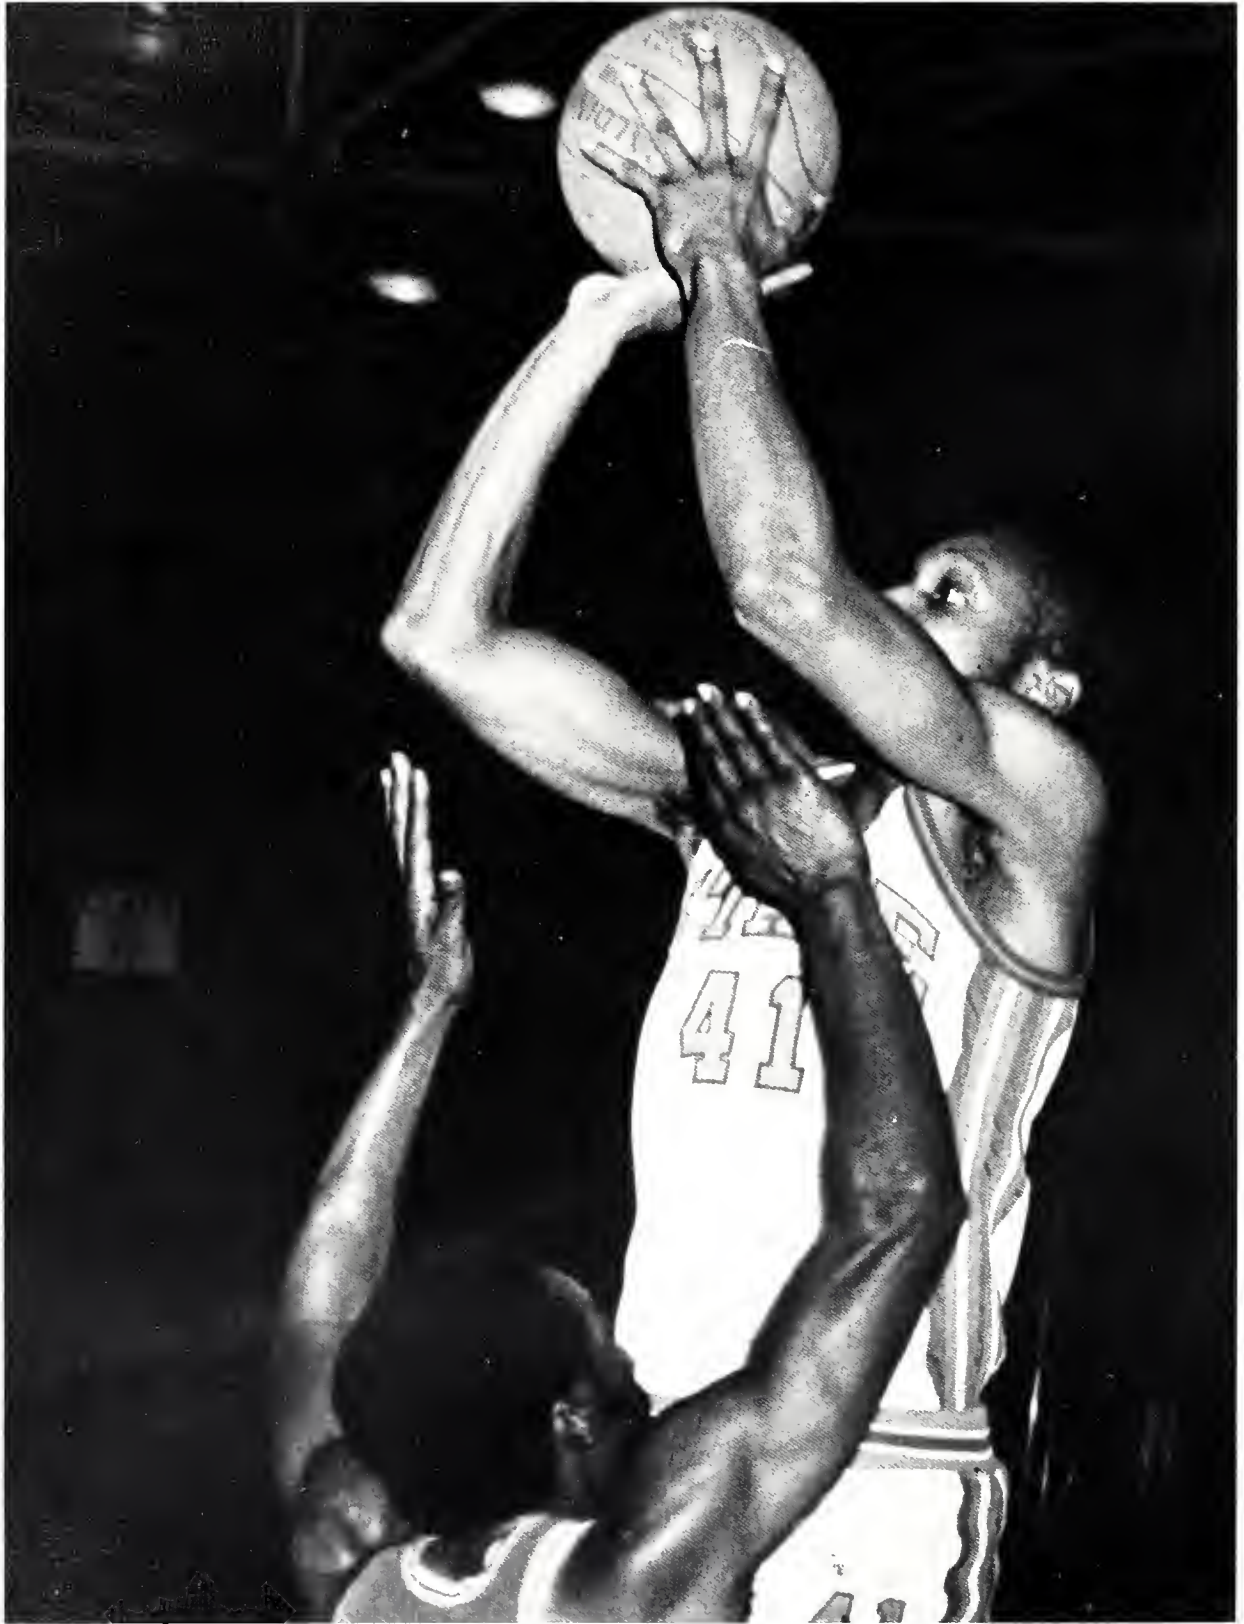

Morehouse tied the game to 40-40 right after half and the Tigers stayed in front, although barely, the next 16 minutes.

After it got tied, Riley really hit up, igniting Savannah State with nine points in the first five minutes. As in the first half, all of them came from the 15 to 18 foot area.

Even though Riley has 23 points, Ellington criticized him for not taking more shots when he's in close. "When he has a clear layup, he passes off too much and we end up not scoring at all."

In the early going of the second half, the Maroon Tigers pulled to within one twice, but Riley hit a 18-footer and shot a layup to keep Morehouse down by three each time.

"Tedd's a real good perimeter shooter. With him shooting from there people can't sag in on us," said Ellington. (12-8-80)

form . . . grace . . . precision . . . two more!

Tigers' Stop Paine, 65-55

Savannah State Coach Russell Ellington was pleased through most of the game with Paine College of Augusta.

He got excited and yelled at a couple of his players—business as usual for the volatile coach—but he had to be pretty pleased with his Tigers. They pulled to a 10-point advantage at the end of the first half, then built up a 12-point cushion midway through the second stanza.

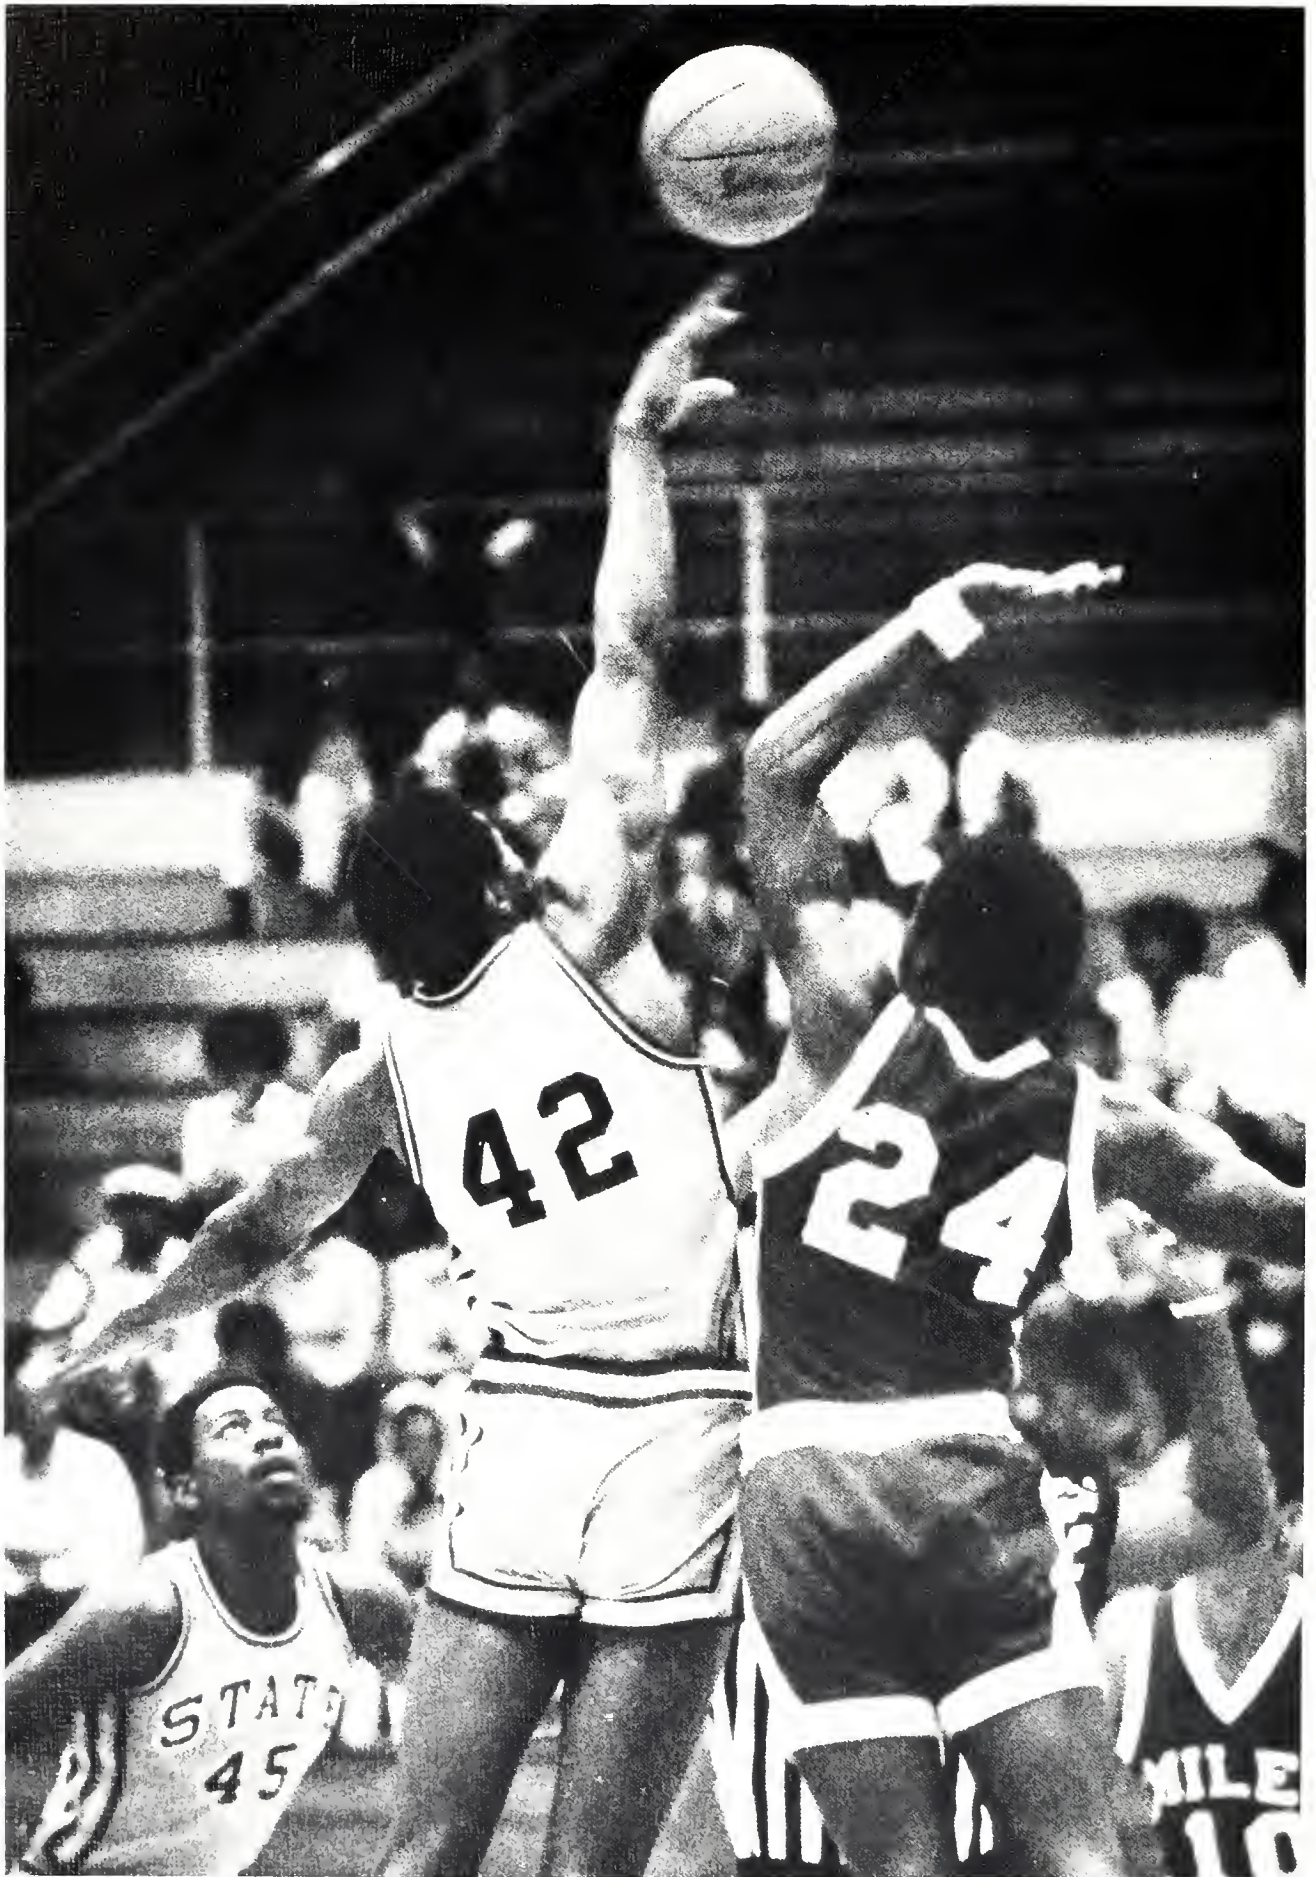

"We got good play for 30 minutes; now we have to work on the other 10 minutes," said Ellington. "We got up by 12 to 14 points with 10 minutes left, then I said, 'Here we go again.'"

SSC allowed the Lions to close to within seven by the 4:31 mark but won by 10, 65-55, for its third win against one loss, Paine is now 5-7.

We stopped moving to meet the ball, we weren't moving to the open areas. We weren't getting out of the trap," said Ellington. "Stock (freshman guard Michael) took a couple of shots out of his range, which I cautioned him strongly about. We called a timeout and got these things straightened out.

"A lot of these things happen with young teams, and with only four games, it's not going to come that quick."

Ellington had to be pleased with forward Teddy Riley's performance. The junior forward hit 26 points (9-for-13 from the field and 8-for-9 from the foul line) and snared 9 rebounds. And freshman center Milton Sexton pulled down 13 rebounds and hit 9 points. (12-15-80)

Tigers Crunch Miles

The Savannah State Tigers used a solid zone defense and were able to capitalize on a one-dimensional Miles offense in routing the Golden Bears 82-63 at Wiley-Wilcox gym.

"We played a good team defense," said Tiger Coach Russell Ellington. "When you play good team defense it's going to help on offense."

Although they played excellent defense it did take a little time for it to emerge.

The Tigers spent the first 13 minutes of the game exchanging baskets with the Bears, who were keeping pace mostly by Donald Scott's and Curtis Roman's long range rockets. The pair were hitting an incredibly high percentage from the outside and as a result the game was tied 12 times in the first 13 minutes.

But when Ron Glover hit a shot and Savannah State went up 28-26 with 6:50 left in the half, the games' complexion changed and it was never tied again and the Tigers never trailed again.

The Tigers, who were in an extremely tight zone, started coming out and forcing the Bear guards, who accounted for 42 of their 63 points, to shoot from a few more feet away from the basket.

"I think we were a little sluggish at first. We came out and forced them to go out further and try and shoot over the top of us," said Ellington.

With that mode of defense, the Tigers outscored Miles 13-4 over the final six minutes of the half to take an 11-point halftime lead. Of the 30 points that Miles scored in the first half, Scott and Roman accounted for 22.

The Golden Bears never got closer than nine in the second half and Savannah State, held the final margin lead of 19, 63-44, with 10 minutes left in the game.

While the zone was stopping the guards, the Savannah State big men were having a field day offensively. Teddy Riley and Ron Glover had 22 points each and Milton Sexton added 16. They really put Savannah State in complete control of the contest in the second half. The trio were the only Tiger scorers over a stretch in the second stanza which took them from a 47-38 lead to a 63-44 advantage.

As well as scoring fairly easily inside, they also enjoyed a game rebounding edge of 25-17. Riley led the team in rebounding with eight while Glover had five.

"We noticed they were a little slow inside and of course we were going to try and take advantage of it," said Ellington.

The only reason that the game was not a total blowout was Miles' Scott and the fact that the Tigers shot only four-of-16 from the foul line. Scott, while forcing many shots over the zone, the 5-10 guard still hit quite often. He ended up as the games leading scorer with 28 points.

"I knew he was going to shoot," said Ellington. "He shot the devil out of it last year."

Ellington added that it would make him content for Miles to have the exact same game plan of outside shooting the next time the two meet. (1-3-81)

Tuskegee Stymies Savannah State

Tuskegee Institute, with Tony Boss hitting key free throws down the stretch, held off Savannah State 67-60 in a college basketball game.

The Tigers fell to a 4-2 while Tuskegee is 6-2.

SSC Played itself to a 30-29 halftime advantage, but the Tigers came out after the intermission as cold as the outside weather. The Golden Tigers of Tuskegee outscored SSC 23-6 in the first 11 minutes of the second half before Coach Russell Ellington called a time out to organize his team.

Over the next four minutes, behind the hot shooting of Teddy Riley, SSC came to within five points at the 6:59 mark.

In the last eight minutes of the game, Tuskegee was cold and SSC's Chuckie Ransom made five steals, but the Tigers couldn't convert their offensive opportunities.

Boss was inserted into the Tuskegee lineup with 52 seconds remaining in the game and collected seven of eight free throws to seal the win.

"I was pleased with our comeback," said Ellington after the game, "We've been improving all along, but we just need to play more intense defense and attack the zone more."

Riley paced SSC with 23 points. Matthew Cornegay hit 16 and Alvin Hawthorne 14 for Tuskegee. (1-5-81)

Tigers Get Revenge Against Albany State

Forwards Teddy Riley and Ron Glover made it a quest to prove to the Rams that the teams' earlier meeting this season was somewhat of a fluke.

And, like the Dallas Cowboys' second-time effort against the Los Angeles Rams, they made good on their goal, Riley and Glover combining for 46 points and 17 rebounds in leading Savannah State in a romp, 70-52 over Albany State.

"Me and Teddy, we're really up for this game," said Glover who scored 23 points. "This was a revenge game for us." Albany State beat the Tigers 69-66 in the opening weekend of the season.

"Riley said, "We wanted it, we wanted it real bad after what they did to us at their place."

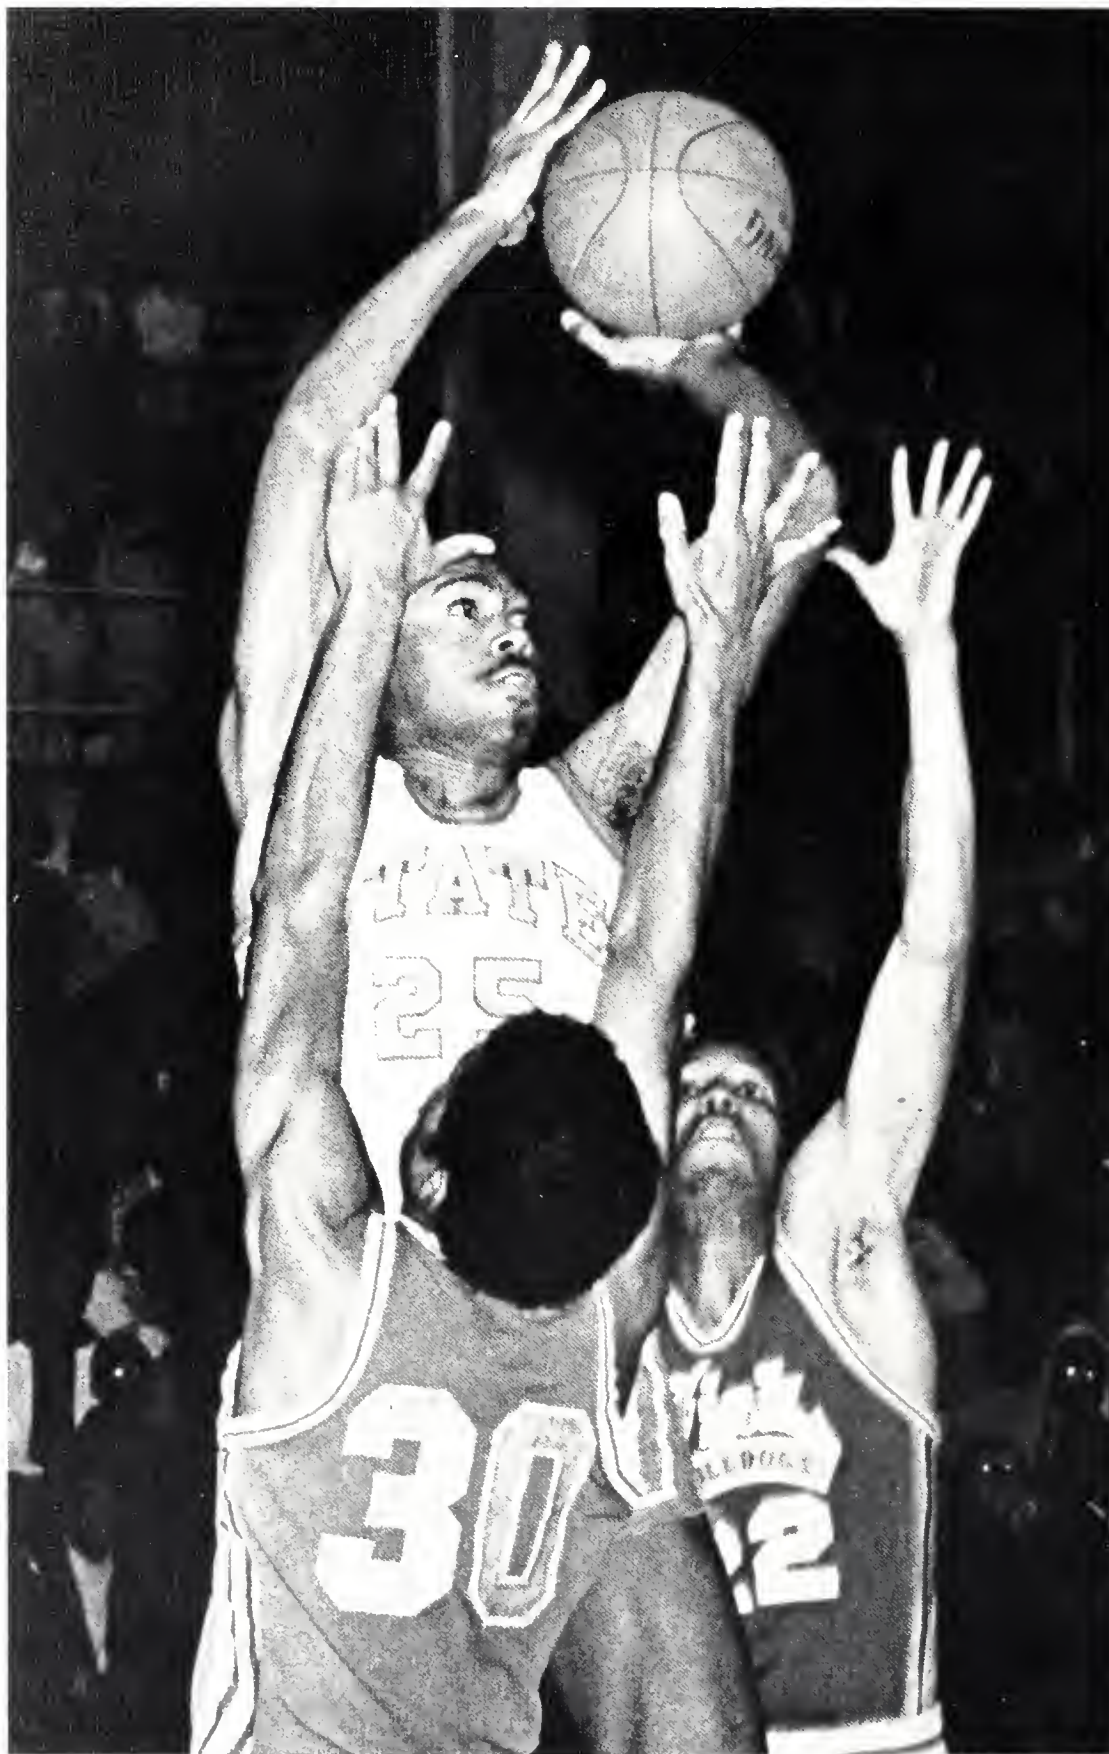

With the win, the Tigers remain perfect at home with a 4-0 record. They are 5-2 overall.

Riley, a 6'5" junior, took charge underneath the boards in the first half when he hit for 21 points and grabbed seven rebounds as Savannah State took command of the game, 39-31.

"The coach told me to shoot more," said Riley who even though averaging 22 points a game, has passed off a number of shots in the Tigers' first seven games. "I noticed that they got off the floor when we played them before, so I was pump-faking tonight and I took some good shots."

When Riley was hitting only one field goal in the second half, Glover took up the slack by hitting for 12 points. He also had nine rebounds in the game.

However, he didn't want to talk about his offensive performance. He was proud of the fact that the Tigers held Albany State to only 52 points. (1-7-81)

Tigers Romp Past Knoxville

The Savannah State Tigers won their sixth game of the season soundly whipping Knoxville College 91-65.

Once again Teddy Riley and Ron Glover led the Tigers. Glover scoring 20 points in the first half and ending up with 28 for the game with Riley scored 19.

Savannah State, 6-2 had the game well in hand almost the entire night with a 15-point lead at half.

Knoxville came close one time, cutting the lead to six in the second half. However, the Tigers surged again and Russell Ellington was able to empty his bench with six minutes left in the game. (1-9-81)

Tigers Edge Past Dragons

Savannah State's Ainsley Aris put back up a missed shot with 44 seconds left to break a 60-60 deadlock, then came up with a key steal seconds later to spark 15th ranked Savannah State to a 62-60 win over Lane.

Lane had battled back from an 11-point deficit to tie the game at 56-all with 2:10 remaining but the Tigers were able to hold off the Tigers down the stretch to run their SIAC record to 4-0.

Ron Glover led Savannah State, now 7-2 on the year, with 14 points while Michael Stock and added 10. (1-10-81)

14th Ranked Tigers Maul Hapless Fisk

It might be time to start comparing the 1981 Savannah State Tigers with the 1980 and 1979 SIAC Champion Tigers.

Savannah State thumped Fisk College 73-54.

"This team doesn't have the great individual talent that we had with Harold Hubbard and Levi," said junior forward Teddy Riley who was on both of the championship teams. "We have a lot of people this year that are team players so we are playing more team ball.

"We're playing more together than last year because we have to win," he said.

Looking around at the emptying stands, he added, "It's nice to have a big victory at home." Riley had 28 points and 11 rebounds in only 27 minutes of playing time.

"Teddy's a performer, he'll always get his points," said Tiger Coach Russell Ellington.

The ranking is just incentive right now, we're trying to win as many games as possible," said Ellington. "It's a great feeling being ranked but we're trying to get to No. 1," said Riley.

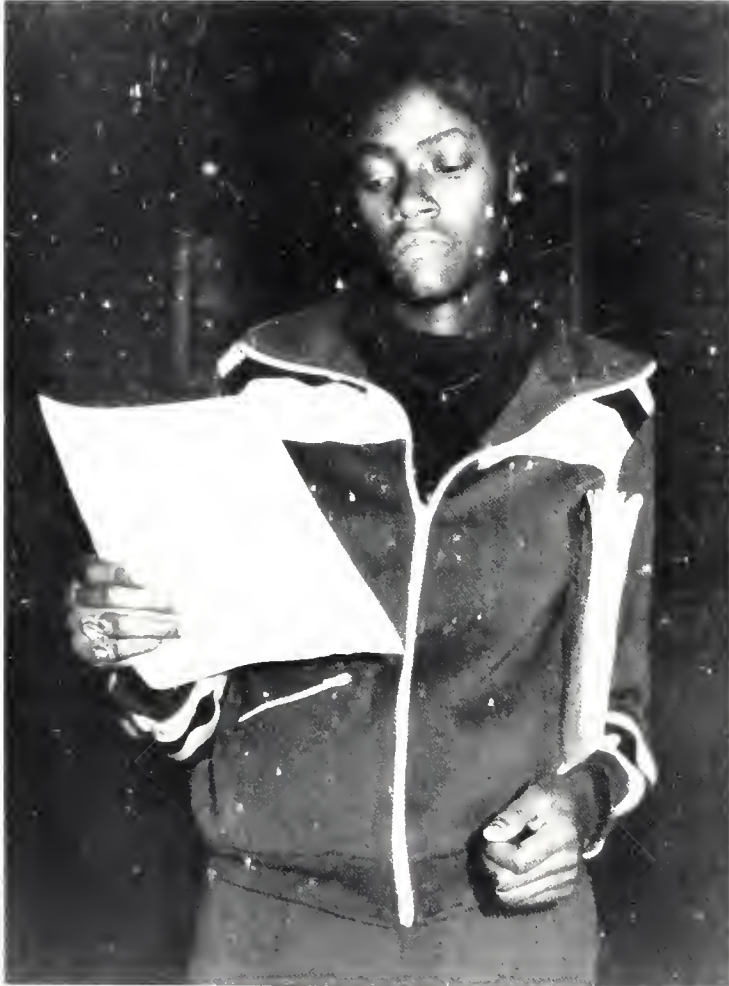

Even though they won by 19 points over Fisk, 1-14, it could have been much worse. Ellington played everybody.

A humiliating experience right before the half was indicative of the type of night it was for Fisk. With the Tigers leading by 17 points and about two minutes left, Fisk went into a delay awaiting a final shot at the buzzer.

However, with about five seconds left, Savannah State stole a Fisk pass inside and Riley threw the length of the court to Gerald Davis who slammed it through, bringing a booming roar from the crowd. (1-15-81)

SSC TIGERETTES

Coach Saralyn Truedell

A hardy welcome is extended to Coach Truedell as she begins her third season at SSC. "Coach" is a native of Savannah and feels at home shaping and directing the talents of the Tigerettes.

Ms. Truedell is a graduate of Talladega College in Talladega, Alabama. While majoring in Physical Education, she played on the college's team throughout her school years. Coach Truedell made All Conference, All Tournament Team, and All American for the 1976-77 season.

Looking forward to the '81' season, she is very optimistic even though the team is young: 11 freshmen, and 2 sophomores. After gaining valuable experience this year, Coach Truedell felt most of the squad would return for an even better season next year. At press time the Tigerettes are looking forward to competing in the SIAC on February 19, 20, 21.

Tiger Ladies Win

The Savannah State Tigers placed three players in double figures in their 83-57 defeat of Ft. Valley State in a women's basketball game in Wiley-Wilcox gym. The Tigerettes 5-3 on the year.

Martha Foster led the Tigerettes with 24 points. Stephanie Baird followed with 14 points and Sharon Wheeler canned 12.

The Wildcats had Vanessa Gibson with 21 points and Valarie Morgan scored 14. (1-7-81)

Tigerettes Whip ASC

Savannah State College defeated Armstrong State College, 77-61 in a women's college basketball game at the Wiley Gym.

Martha Foster took scoring honors for the Tigerettes in the win over their cross-town rival with 23 points. Sharon Wheeler added 20 for SSC.

The Tigerettes improved their record to 6-4. Armstrong was led by Charlene Hamilton who hit for 21 points. Joining her in double figures was Beth Benfield, who canned 12. (1-12-81)

Tuskegee Downs Tigerettes, 80-75

Despite Sharon Wheeler's game high 27 points, the Savannah State College Tigerettes dropped an 80-75 game to Tuskegee Institute. Annette Frazier added 22 points and Shirley Boyd sank 13 points for the Tigerettes in the loss. Sonya Kennedy was the leading scorer for Tuskegee with 23 points.

The loss dropped SSC's record to 6-5 for the season. (1-17-81)

*We perfect our skills
fully with the
devotion that we give
it true devotion is the
key to our success*

continuously go through
the changes that direct
our lives. Today and
tomorrow we must
come to Direct the
changes of our lives*

...

*... Smile, Pretty. Please let
it come from within.
(deceiving grins need not
apply).*

*... then come! Let us dance
the dance of Life creatively!*

Closing Strength and Love

Life's Lessons

Much was learned by me as I sought to edit this year's Tiger. And I am very grateful to the people both positive and negative who were responsible for my growth. This was an eye opening year and I learned to keep an eye opened to the people closest to me, for they carry the knives that cut deepest. Who feels it, knows it. There is much in life to be learned and so much more to be unlearned.

Future Strength

We skip, slide, and stride towards the 21st century indifferent to and not completely understanding the meaning of the past four centuries (or the charades of the last two decades). We dismiss, feel ashamed of and laugh at our past while our present condition (worldwide) is insecure and yet we regard the future as promised to us. Mean while: the world runners are going to the moon and beyond while we run down to the Moon Disco on 'beer bust' night. For the long run of generations to come some serious house cleaning/straightening is very much in order. We secure our future with our daily actions. What will you do with the rest of this day?

Love and Vibrations

Don't say you *Love* us! As a whole, our actions are motivated by every other force in the universe except *Love*. Love is now found exclusively in the soap operas, comic books, commercials and .25¢ peep shows. Love is the colorless, white substitute for rhythm and action. Our love is felt by the rhythm of the vibrations between us and by the actions we display. Don't *say* you us. Above All, I wish you strength and right understanding.

Asante Sana,
Tshuki
